STUDENT WINS CYBER SECURITY HACKATHON

Aashish Vivekanand, a final year CSE student of Rajalakshmi Engineering College, Chennai, won the first place in Cyber Security Hackathon, a competition conducted by Learning Links Foundation, and sponsored by US Consulate General, Chennai. He developed an innovative security app called SMART under the guidance of professor B. Bhuvaneshwaran. Dr. Gulshan Rai, Cyber Security Coordinator from Prime Minister's office (India), gave away the prize, in the presence of Philip A Min, US Consulate General, Chennai and Sivaraman, former
